ANNUAL REPORT

JULY 2023 - JUNE 2024

Bennington Museum engages and transforms our visitors and our community by connecting them to our region's diverse arts, rich history, and lush New England landscape.

WHERE WE ARE

July 1, 2023 - June 30, 2024

Fiscal year 2024 brings the Bennington Museum ever forward as we strive to be a community hub with real, lasting impact on both current visitors and the future residents of Bennington County

Once again, I'm pleased to report the close of the fiscal year finds the Museum in the black, making this the fourth year in a row that we have produced a modest surplus. Thanks to a strong year of earned revenue coupled with an extraordinary uptick in giving on all levels, the Museum has been able to invest in its operations and staff to modernize, expand and meet the needs of the people we serve and the objects we collectively care for.

The operations of the building continue to undergo marked improvement, most notably in the expanded and re-interpreted Grandma Moses spaces. This expanded space was re-opened in conjunction with the recent acquisition of five Moses works and explores not only her artistic productions, but her legacy and artistic successors, the outsized role she played in the art world, and why she still matters today.

Our Educational, Curatorial and Development teams continued to offer exciting and diverse programming both onsite at the Museum and out in the community. The Museum has made a point of being present in the community at events like Garlic Fest, Hemmings Drive-In, Bennington Pride, and the Hoosick History festival, to highlight a few. Programming within the Museum such as last April's live Tattoo Show and the Bennington Historical Society's presentation on the Kelly Stand Road were fantastically well attended and helped welcome new audiences to the Museum. These highlights, along with a reinvigorated Museums ABC's program and the much-beloved Music at the Museum and Concerts in the Courtyard series, were all made possible through generous underwriting by donors who believe in the Museum's outreach and community-centered offerings.

In June, the Museum began its rollout of our Century Campaign: a vision to bring the museum into its 100th year in the building in 2028. The series of capital projects addresses the needs of accessibility, welcoming the visitor to the Museum, spaces for educational exploration, learning, and working through offices and gathering spaces that will be able to grow and serve our community for another 100 years.

Our visitors, neighbors, and most importantly our members share a vision of this institution as a community asset: a place where ideas, artwork, shared histories and performance art can all be experienced and explored; an asset for all and a warm welcoming place for any who come into our special corner of the world.

REVENUE REPORT

Selected Financial Data: July 1, 2023 - June 30, 2024

Revenue Sources and Allocation

Where is the money coming from?

This year's revenue chart shows a more even distribution in sources than in past years. It's an illustration of the balanced and robust foundation that Bennington Museum has been diligently working towards. This diversification hedges our health against an overreliance on any particular revenue source.

We encourage you to take a look at your fellow donors here and to say thank you when you visit their shops or when you pass each other on the street.

This simple act of recognition by a peer or customer positively reinforces the impact of these gifts and underscores the reach and value of your Bennington Museum.

THANK YOU!

ENGAGEMENT REPORT

July 1, 2023 - June 30, 2024

How Does Bennington Museum Serve the Community?

Exhibitions

In FY24 Bennington Museum hosted 17 changing exhibitions onsite which were viewed by nearly 19,000 visitors from all 50 states and 24 different countries.

Events

Bennington Museum hosted nearly 100 events and workshops last year. We also rented our space for community gatherings and weddings.

Outdoors

From the Wildflower Trail to NBOSS to Concerts in the Courtyard, the outdoors play a big part in bringing our community together.

Education

This past year we reached nearly 2,000 kids through our group tours, school visits, Museum ABCs programming, and the student art show. Additionally, the Teachers' Institute will indirectly benefit hundreds more children.

GRANTS

July 1, 2023 - June 30, 2024

This past year, Bennington Museum addressed some much needed building repairs. With your help, and the aid of several strategic grants totaling almost \$88,000 in received funds, we were able to bring new programming to the community and address many infrastructure projects that will keep our collections safe and accessible for years to come.

THE ARNOLD RICKS AWARD

BENNINGTON MUSEUM | 06

This award is presented by the Museum to an individual or organization in recognition of exceptional contributions to the Bennington community and Bennington Museum.

This year we are pleased to honor one of our emeritus trustees, **Frances Holbrook**. Frances has been an active and dedicated supporter of Bennington Museum and its education programs for a number of years, and has served as a liaison for the Museum to the Edwin S. Webster Foundation, to which she has family ties. With Frances' encouragement, the Webster Foundation's most recent contribution helped to renovate the approach to the Grandma Moses Schoolhouse and assisted with HVAC upgrades in preparation for a more comprehensive renovation which will include a separate entry for groups, a utility sink and bathroom, and comprehensive technology.

Frances was born in Vancouver British Columbia and grew up outside of Boston. She went to Smith College and then Nursing School. In 1974 she moved to the farm in Pownal with her husband (Tim) and 5 children. She has had a variety of animals over the years and finally learned that electric fences were a must if she didn't want to have her distant neighbors calling with complaints of the pigs, calves, and lambs in their yards. Frances was on the Pownal rescue squad as an EMT for 16 years. She served as a member of the Bennington Museum Board from 1992-2004 and again from 2006-2018.

The following have been past Arnold Ricks Award recipients:

Jon and Michele Pagán, 2022

Bob Tegar, 2023

In FY 24 we had 84 volunteers who contributed 3,877.50 hours to the Museum. That is the equivalent of 2 additional full-time employees!

The top volunteer-based activities included:
98.50 hours - Family Day
407.50 hours - George Aiken Wildflower Trail
759.25 hours - Board/Committee
1,137.00 hours - Historical Society
1,178.25 hours - Regional History Room

THANK YOU!

MEMBERS

Active as of June 30, 2024

Members are the backbone of Bennington Museum. Your support helps us achieve our goals and secure grant funding. Your input helps shape our programming and exhibitions in the coming year.

All Museum members are recognized in the donor roll on the following pages with an asterisk, but here we will take a moment to recognize our highest level Museum members who join us on quarterly cultural tours and are part of an intimate philanthropic group. You have demonstrated a strong dedication to Bennington Museum's mission and we have enjoyed getting to know you better this year! Your commitment and investment makes it possible to engage our visitors and our community with our region's diverse arts, rich history, and culture of innovation. Thank you.
