Membership Benefits

Benefits vary with membership level

All Membership levels receive a subscription to Bennington Museum's newsletter and email update service, discounts on select programs and events, discounts in the Museum Store (exclusions apply) and reciprocal benefits at the Consortium of New England Art Museums.

Consortium of New England Art Museums
A group of 9 participating museums throughout New England. Some restrictions may apply.

Business Members

Business membership cards beginning at the Contributing level include up to two names and the name of the business. Employees may enter the Museum free of charge if they present their employee business card.

NARM: North American Reciprocal Museums
Enjoy membership benefits at more than 1,000 participating museums throughout North America. Some restrictions apply. Visit narmassociation.org for details and a complete list of participating museums.

Bennington Historical Society

The "BHS" is a volunteer-run program of Bennington Museum. It exists to research the history of the Bennington community and share its insights with the public to foster a greater understanding of our common heritage. Your donation supports BHS programs and ensures that you receive updates about its activities.

Tax Deductions: The tax deductible amount of membership is the excess of payment over the value of goods and services provided, disregarding those benefits defined as "insubstantial" by the IRS, including museum admission and discounts.

Digital Membership: All membership cards are automatically delivered digitally via email within one week. Going digital is environmentally friendly and means that you never have to worry about forgetting your card.
