Telling the stories of this region through Art, History, and the New England Landscape

2026 CORPORATE OPPORTUNITIES

2026 Season: Vermont Vice

This year we explore the history of guilty pleasures, bad habits, and immoral and wicked behavior in Vermont. It all begins this November 2025 with our Regional Artist Exhibition, extends to our annual flagship fundraising Gala event in December, and culminates in our major 6 month exhibit beginning in late spring 2026.

Exposure

Our ~20,000 annual visitors come from the immediate area as well as outside the region, including all 50 states and 31 foreign countries. As a corporate supporter, you convey to the community that you recognize the importance of local arts and culture and are a key player in making this area a great place to live, work, and visit. You can choose to be an advertiser or sponsor or both, depending on what audiences you want to reach and how you structure your marketing or philanthropic budgets each year. We appreciate your support and look forward to finding the most visible and effective way to promote your company.
